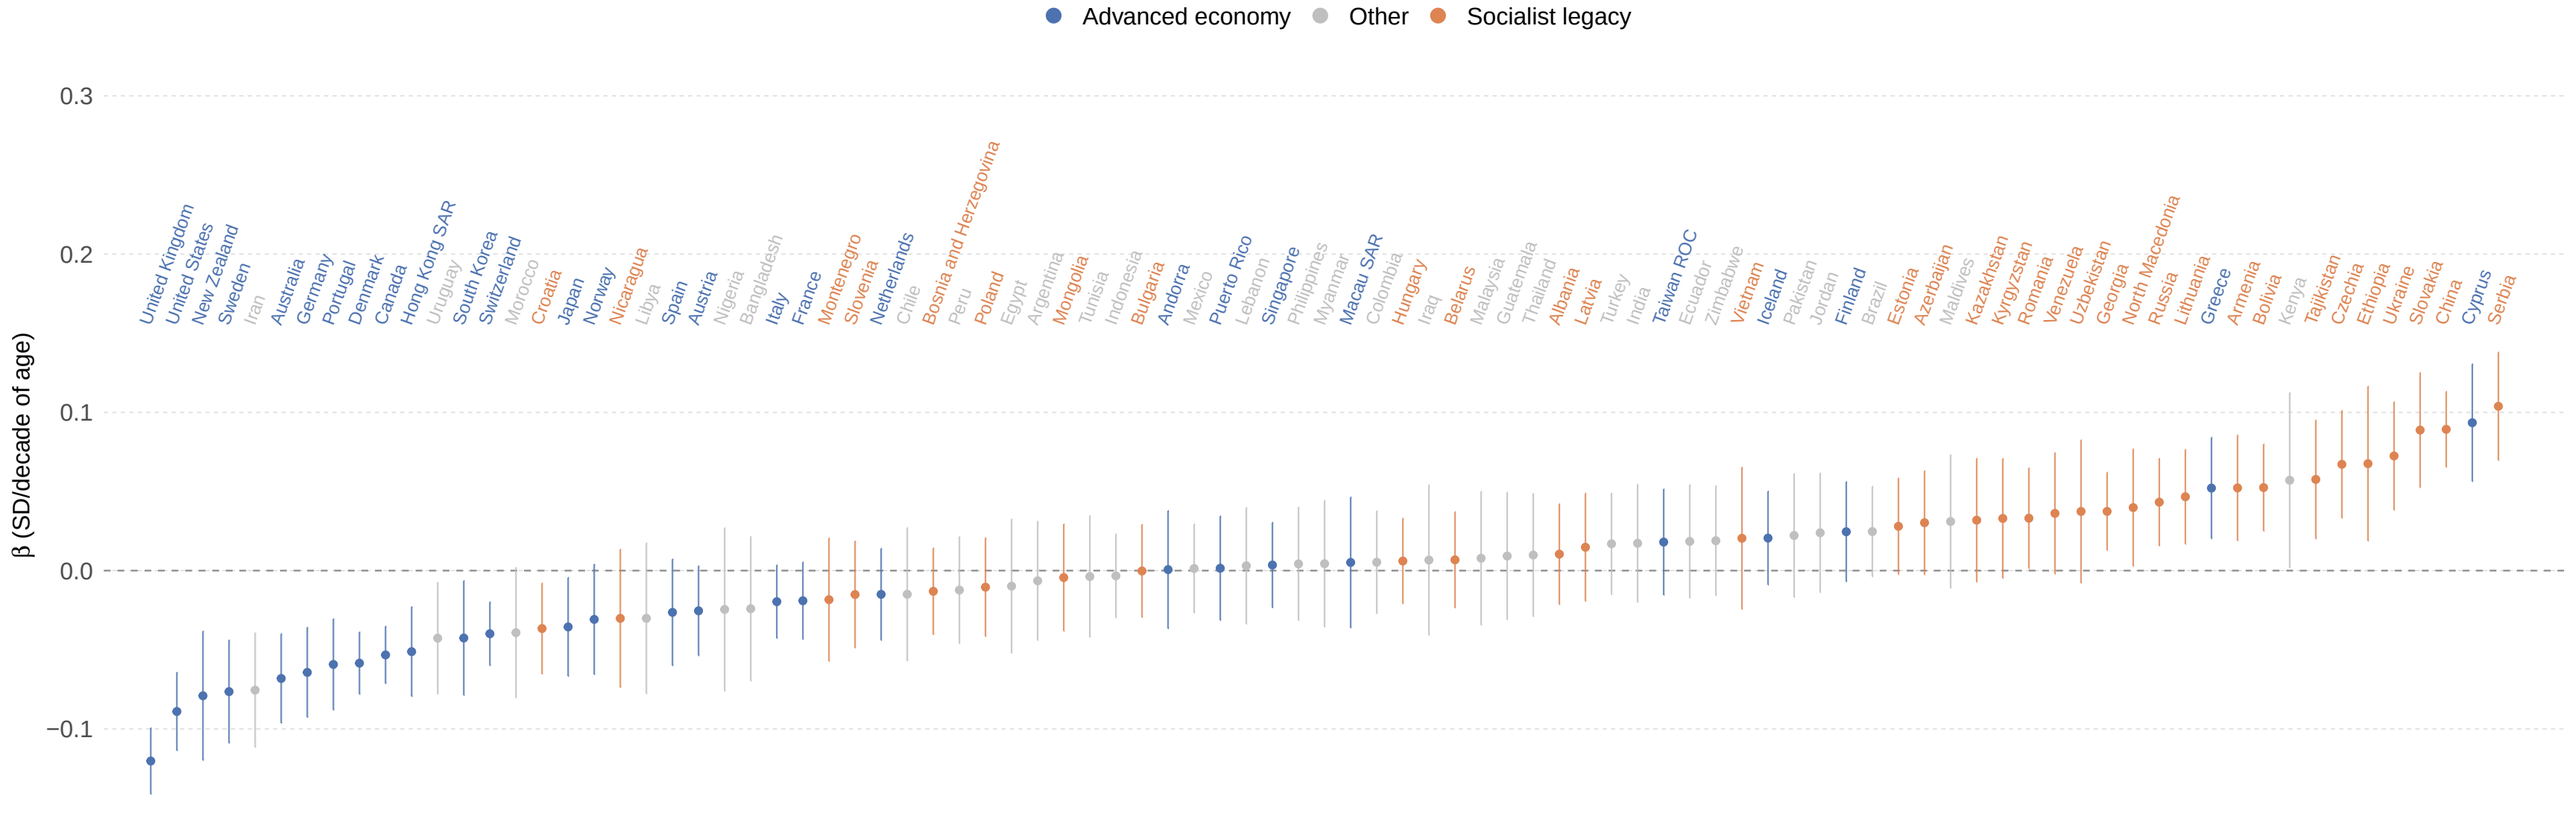
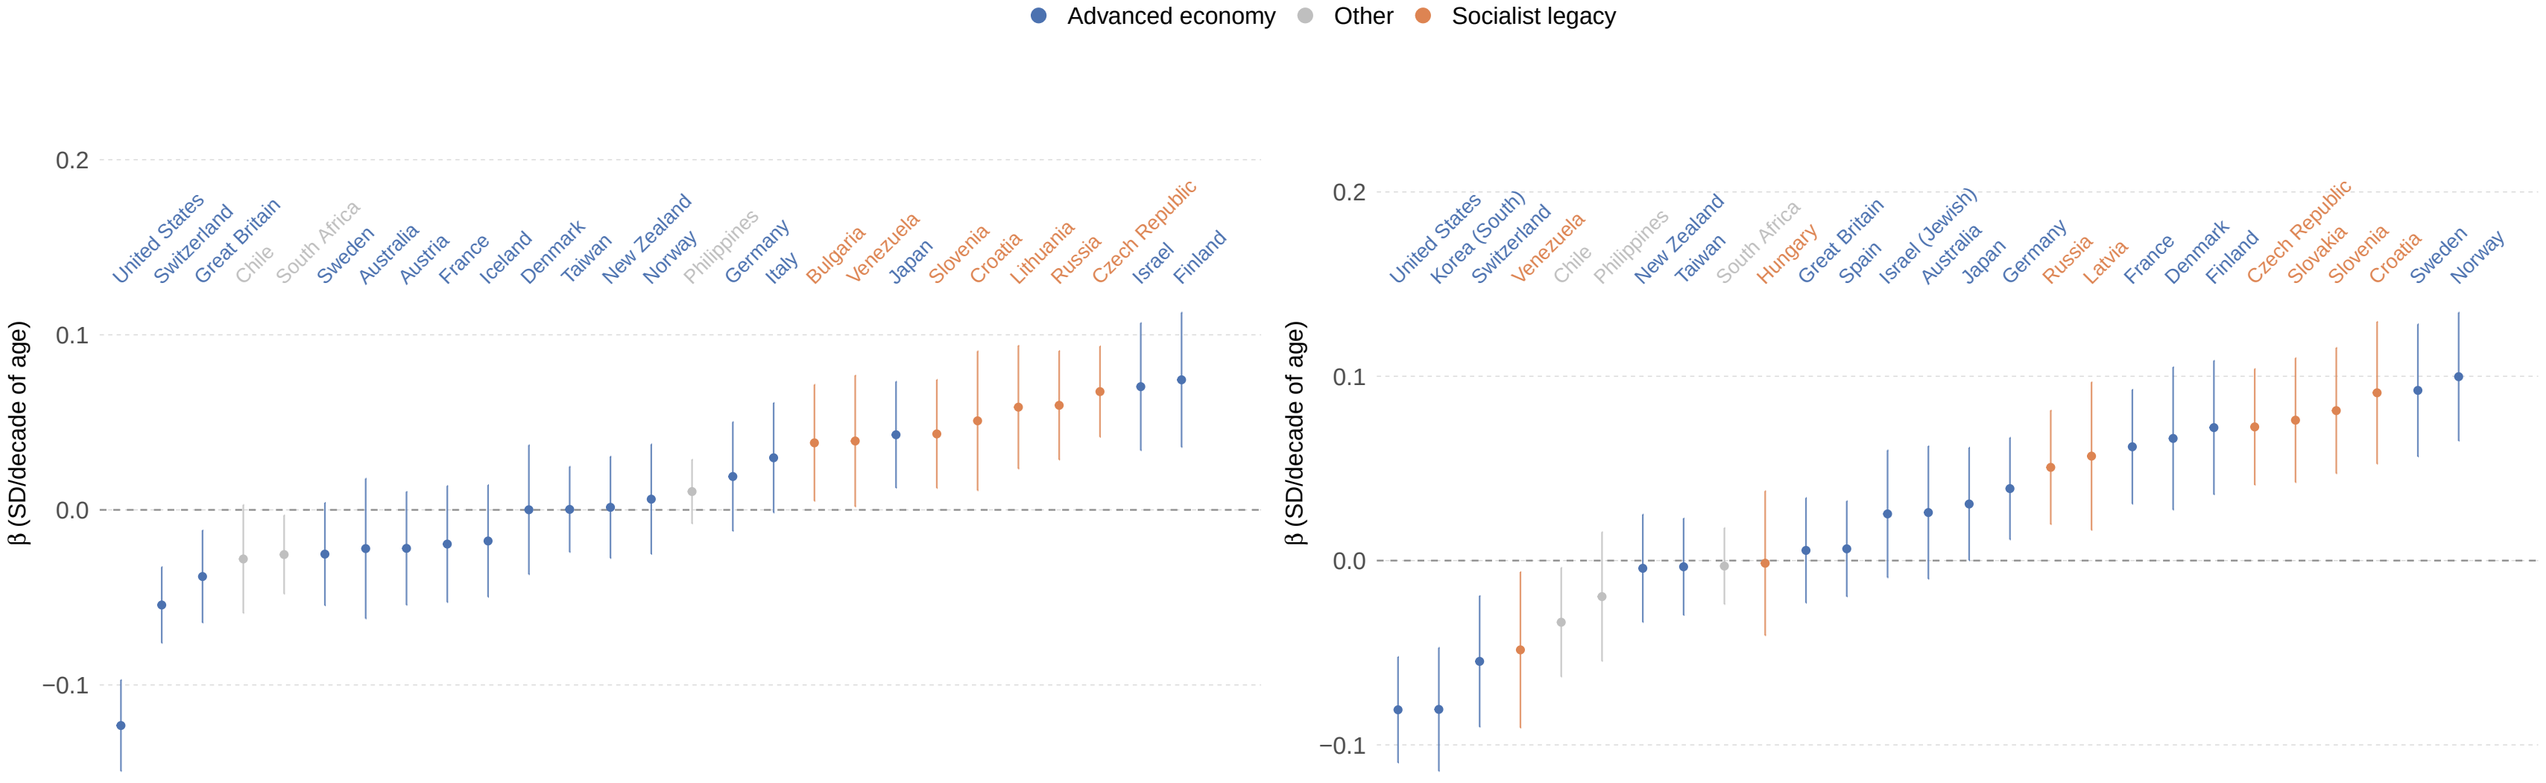
WVS/EVS (2017−2022)

"People should take more responsibility for providing for themselves or the government should take more responsibility to ensure that everyone is provided for?"
10−pt scale, high = older more pro−government



ISSP Social Inequality (2019)

"It is the responsibility of the government to reduce the differences in income between people with high incomes and those with low incomes."
5−pt scale, high = older more pro−government

ISSP Role of Government (2016)


"On the whole, do you think it should or should not be the government's responsibility to reduce income differences between the rich and the poor?"
4−pt scale, high = older more pro−government
